Contact Sphere Top-3!

What 3 professions would help you round out your contact sphere?
(Write them down in the space below)

Contact Spheres are made up of businesses or professions that naturally provide a source of referrals for one another. They are in somewhat related but non-competitive businesses. Businesses in the same Contact Sphere have a symbiotic relationship in that they support and enhance one another.

Make a commitment to your dance partner to help fill out their contact sphere by inviting people to BNI that are in their "Top-3!"
